

HEALTH GUARANTEE

Silver and Charcoal Kennels

Greenwood, MS

Owner: Michael Lary

662-299-5435

This is a 24 month guarantee against life threatening genetic defects. These life threatening genetic defects include hip dysplasia (not elbows), heart failure, or kidney failure. The puppy must be taken to your vet within 3 days of ownership. This guarantee does not cover normal puppy/dog issues such as worms, stomach infections, skin conditions, cherry eye, or any other non-life threatening minor illnesses. We do not guarantee your puppy can produce off-spring even if you do purchase breeding rights. We do not guarantee that your puppy will pass any hip or eye tests through any organizations such as but not limited to Orthopedic Foundation for Animals.

This guarantee is for the original purchaser and is not transferable. If we declare you are under warranty we will replace your puppy. No money refund. We do not cover any vet bills.

A copy of the vet records including all current shot records and diagnostics must be sent to me. In the event of death an autopsy will be required at owners expense. For this guarantee to be good, the puppy must use NuVet vitamins for at least 24 months of age. If this is not done the guarantee will be null and void. To order your vitamins you can call 1-800-474-7044 and use order code 94545.

Sincerely,

Silver and Charcoal Kennels
